2. Cyber Jagrookta Club of Govt Degree College Jawali organised a Seminar on, **“PROMOTING A CULTURE OF DIGITAL SAFETY”** on **06.09.2023**. The resource person for the seminar was the convener of cyber Jagrookta club Dr Madhu Bala. Total 60 students participated in this seminar from the college. The resource person deliberated on the various issues and challenges that a person can face while working on internet. The problems of Hacking, Indentity Theft, Pornography, Spamming, Illegal downloading was discussed in detail during the seminar. After the detailed presentation the students of the college raised number of queries which were thoroughly answered by the resource person. The interactive session was very participative in nature in which faculty also asked their questions pertaining to cyber security.
3. The Cyber Jagrookta Club of Govt Degre College Jawali organised a One-day seminar cum interactive session on, **“SAFETY IN ONLINE FINANCIAL TRANSACTIONS”** on **04.10.2023**. Total 52 students of B.A and B.COM have participated in this seminar. After

completion of the seminar the learner will be able to describe the financial security and its types, how to mitigate cyber security and financial risks, understand various techniques of safe online banking.

4. The Cyber Jagrookta Club of the Govt Degree College Jawali organised a Seminar on, **“AWARENESS ON DEBIT AND CREDIT CARDS FRAUD”** on **07.02.2024**. Dr Madhu Bala was the resource person for the seminar. She discussed that debit card skimming happens when the PIN is revealed to another person. A scammer who knows the PIN and has possession of card even for a short while can replicate the card with skimming device's and withdraw the cash. Online credit card fraud occurs when customers use their credit card or debit card for any type of online payment and another person, with malicious intentions, uses such card details and password by hacking and misusing it for online purchases using the customers' hacked card details, or when a fraud is committed. When electronic transactions are not secure, the hacker can abuse the credit card by pretending to be the cardholder.
5. Govt Degree College Jawali organised a seminar on **“CYBER FRAUDS: ISSUES AND CHALLENGES”** under the banner of Cyber Jagrookta on **28.02.2024**. The event was inaugurated by the principal of the college Dr Dinesh Kumar Sharma who in his address enlightened the students to participate in such seminars so that they can make themselves aware about the cyber-crime and the ways to control it. The resource person Dr Madhu Bala, in her address said that there is a pressing need to increase cyber hygiene for the prevention of cyber-crime by instilling the habits of taking basic care of Information and Communication Technology Devices at regular intervals. She further deliberated in detail about the various types of cyber frauds and the issues associated with them. She stressed on the fact the now a days cyber security is very important because of the Increasing cyber threats due to global connectivity and usage of cloud services. She urged the students to remain vigilant while using different social media sites to avoid fraudulent practices prevailing on such platforms. The seminar ended with an active interaction session wherein several queries were raised by the students and staff of the College.
