Mr. Ashwani Sharma started his interaction with students by a simple question that “What do you understand by the word Discipline?” Students answer included words as “orderliness”, “efficiency”, “punctuality”, “organization”, “focus on one’s task” etc. After getting such answers he appreciated their varied responses and suggested that all these are various traits of an individual’s character which helps one to complete the task in a particular given time. By sharing life experience and success stories of good leaders he emphasized that all great leaders, followed discipline path to achieve success in life.

He suggested that people who are disciplined are more focused both mentally and physically. They are better able to align their body and mind with their ideas and goals. This helps to develop self –control, the ability to avoid unhealthy excess of anything that could lead to negative consequences. - 26/01/1950 when Indian constitution was adopted, its Articles 14 to 10 gives Equal rights to men and women as citizen of India.
- Dowry Prohibition Act, 1961.
- Protection of Women from Domestic Violence Act, 2005.
- The government increased Maternity leave from 12 weeks to 26 weeks under Maternity Benefit Act in 2017 for private sector.
- The women's Reservation Bill gives 33 percent reservation for women seats in all levels of Indian politics. An attempt to increase female political participation. The bill was first introduced on 12/09/1996 by the Deve Gowda government. Successive governments tried to push for the bill but it took 14 years to get it passed in the Rajya Sabha. The Bill has yet to be passed in the Lok Sabha and in all State legislative assemblies.
- Women in India are emerging in all sectors, including politics, business, medicine, sports, agriculture, space scientists, research, defense services i.e. in every walk of life.
- India's story to women empowerment is not complete without focusing on grassroots levels. Some initiatives by government namely BETI BACHAO BETI PADHAO, PRADHAN MANTRI UJJWALA YOJANA, MAHILA-E-HAAT
