

Report on Implementation Initiative of National Tourism Youth Clubs in Colleges of HP State

An Induction programme of Youth Tourism Club was organized on 26 October 2023, at GDC Jawali. The Youth Tourism Club of Jawali College was formed in this meeting and totalsixty students enrolled as the members of the Club. Students were informed about the relevance and importance of tourism in Himachal Pradesh (India) and the Kangra Region. Students in this induction programme were encouraged to be active members of the tourism potential of Himachal and find opportunities for livelihood in this sector.

In this induction programme chairman, Secretary, Treasurer and other members of the executive committee have been also elected by the members of Yuva Tourism Club to carry out activities and projects of the club effectively.

The programme was organized by the convener of the club Dr shashi Assistant Professor of Political Science. She told students about the structure, objectives, activities and functions of Yuva Tourism Club at the college level. She further informed students about how they could become the young ambassadors of Himachal tourism to encourage tourism possibilities in Himachal and can act as catalysts for promoting Sustainable tourism in Kangra District.

The event was graced by all the faculty members of the social science department, Jawali. Senior Prof. Ashwini Kumar and Prof. Sulkshan also shared their experiences with students regarding the concerned topic.

The Programme ended at 12:30 p.m. with a recitation of the Responsible Travel Pledge by everyone present. The pledge read as follows

I pledge to be a responsible traveller; When I explore new places, I will leave nothing but footprints, and take away only memories; I shall not harm, what does not harm me; I shall travel clean and green, I shall respect the local culture; And I shall promote sustainable tourism.

Brief Summary of the Activity

On August 13, 2024, the YUVA Tourism Club of Government Degree College (GDC) Jawali organized an induction program for the newly admitted students. The event commenced at 10:30 AM and was designed to familiarize the students with the club's mission, which focuses on promoting local tourism within the Kangra District. Dr. Shashi, the club coordinator, spearheaded the session by addressing the critical importance of local tourism and the unique role that students can play in its enhancement. Dr. Shashi's address emphasized the need to preserve and promote Kangra's rich cultural, historical, and natural heritage. By engaging with the local community and participating in tourism initiatives, students were encouraged to become ambassadors for Kangra, showcasing its many attractions to a broader audience. The session aimed to empower students with knowledge and motivation to actively contribute to these initiatives, making them an integral part of the club's efforts.

One of the key highlights of the induction program was the democratic election of the executive committee members for the 2024-2025 session. The elections were conducted in a transparent and fair manner, ensuring that the most capable and committed students were chosen to lead the club. The newly elected executive committee is expected to drive the club's activities and initiatives, aligning with its mission to promote tourism in the region.

The program concluded with a pledge taken by all attending students, signifying their commitment to actively support and promote tourism in Kangra. This collective pledge marked the beginning of a concerted effort by the students to contribute to the preservation and promotion of Kangra's heritage. The club, under the guidance of the newly elected executive committee, aims to harness the energy and enthusiasm of its members to bring about meaningful impact in the local tourism sector.

The YUVA Tourism Club at GDC Jawali is now poised to embark on a year filled with activities and initiatives that will not only enhance the visibility of Kangra's attractions but also foster a sense of pride and responsibility among the students towards their local heritage.

Details of co-curricular/administrative activities

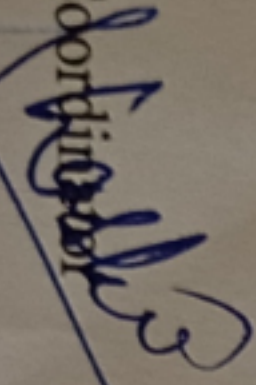

1. Date: 27/09/2024
2. Organized by the committee/unit/club/society/cell: YUVA Tourism Club
3. Name of activity: World Tourism Day Celebration
4. Name of resource person (if any): NA
5. Number of participants: 68

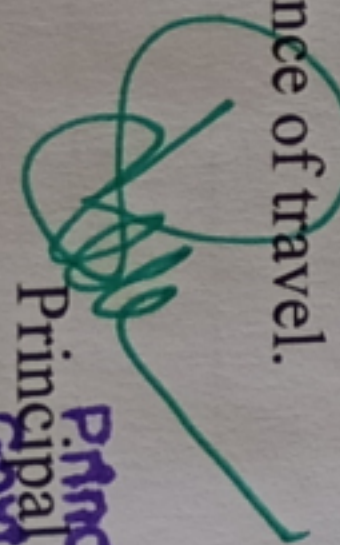

Brief Summary of the Activity
On September 27, 2024, the YUVA Tourism Club of Govt. Degree College, Jawali celebrated World Tourism Day with great enthusiasm and active participation from the students. The event aimed to raise awareness about the significance of tourism and its impact on cultural exchange, economic growth, and global unity.

The celebration began with an interactive discussion led by the club coordinator, Dr. Shashi. Students engaged in a lively dialogue about famous tourist destinations across the world, highlighting key attractions, historical landmarks, and iconic cultural experiences. From the Great Wall of China to the Eiffel Tower in Paris, and the majestic Taj Mahal in India, students shared insights about what makes these destinations unique and globally renowned.

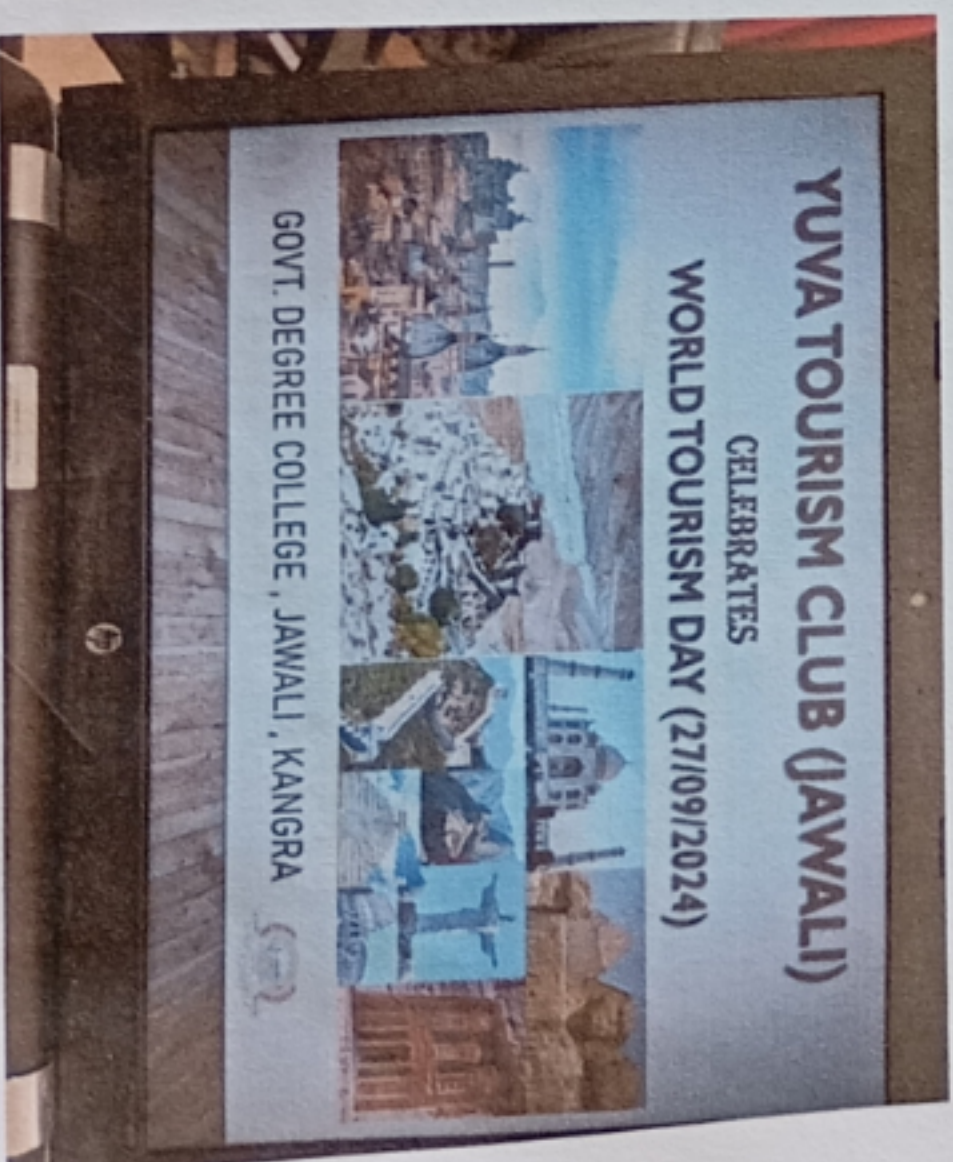

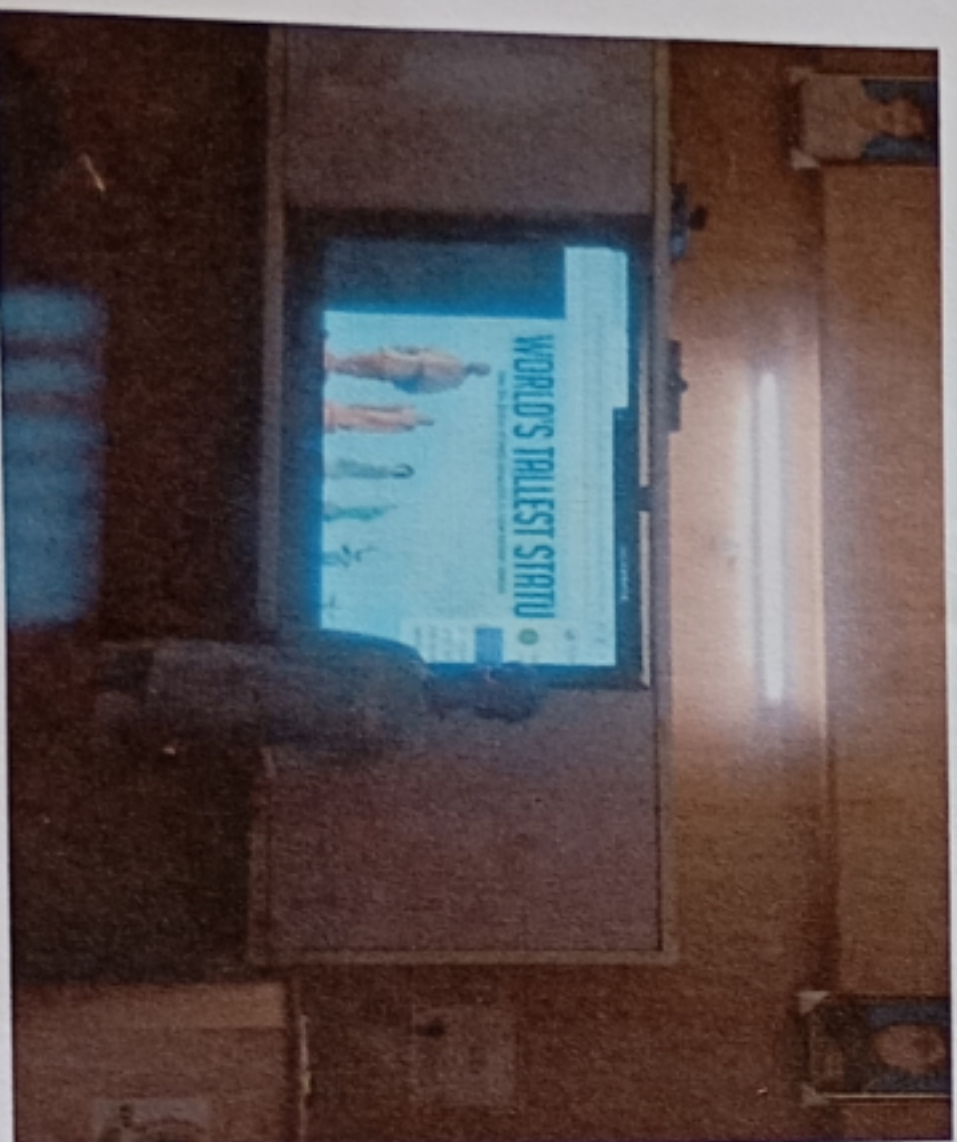

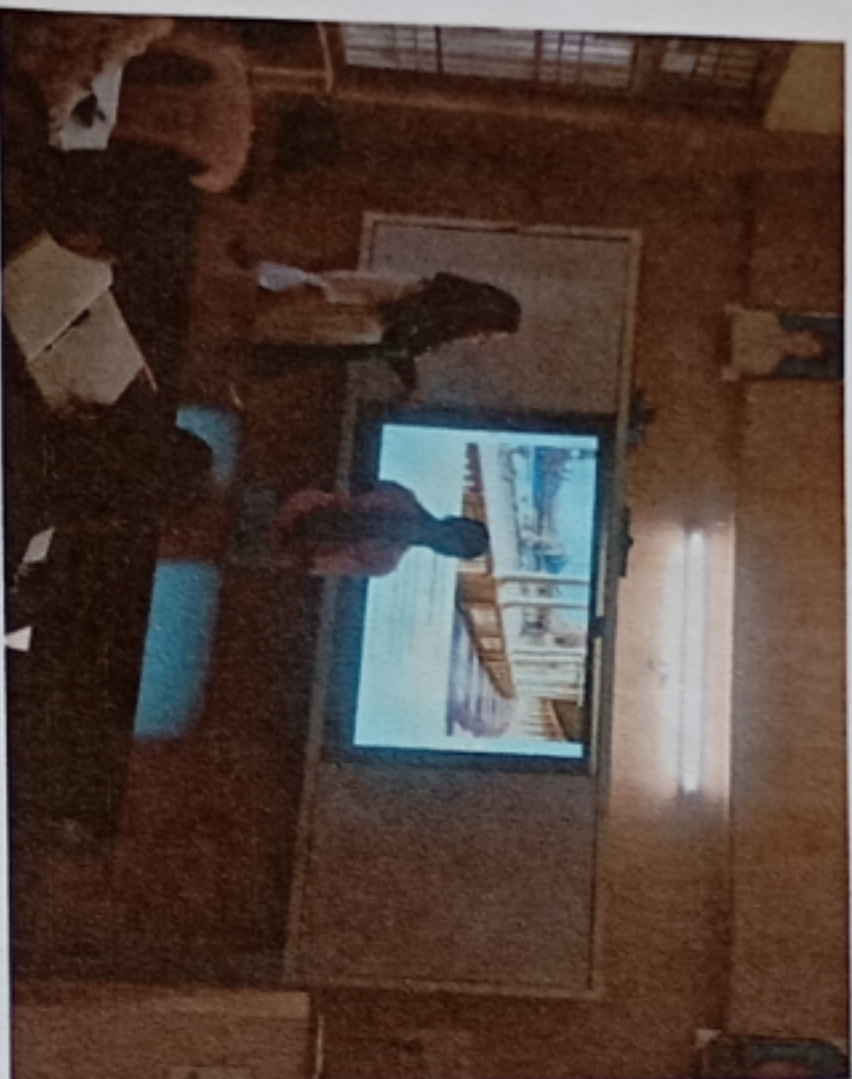

In addition to tourist attractions, the discussion also touched upon famous cuisines from different countries emphasizing how food plays a vital role in enriching travel experiences and understanding different cultures. An exciting part of the event was when students shared their dream tourist destinations. Some students expressed their desire to visit the pristine beaches of the Maldives, while others spoke passionately about exploring the historical sites of Greece or the wilderness of African safaris. This session allowed students to not only share their aspirations but also to appreciate the diversity of travel experiences across the globe.

The event concluded with a message of encouragement from Prof. Sulakshan, who urged the students to travel responsibly and to promote tourism that respects cultural heritage and natural environments. The celebration of World Tourism Day by the YUVA Tourism Club successfully fostered a deeper understanding of global tourism and inspired students to dream big, while also reflecting on the cultural significance of travel.
