**CYBER JAGROOKTA CLUB**

**Govt. Degree College Jawali-Kangra (HP)**

**Poster Making and Slogan Writing Competition**

**Dated: September 4, 2024**

**Theme: Cyber-Crime Awareness: It is Easy to Stay Safe Online**

In an effort to promote awareness and responsibility around cyber safety, a competition on Poster Making and Slogan Writing was organized for the students of Government Degree College Jawali. This initiative, led by the Cyber Jagrookta Club under the guidance of Dr. Madhu Bala, aims to engage students in creatively addressing the critical issue of cybercrime. The theme of the competition was "Cyber-Crime Awareness: It is Easy to Stay Safe Online." Students were encouraged to explore creative expressions that highlight essential aspects of online safety, including privacy, secure practices, and awareness of common cyber threats.

The competition was divided into two categories:

1. **Poster Making**
2. **Slogan Writing**

The objective of the competition was to instill a sense of responsibility among students toward cyber safety and to spread awareness on how simple steps can significantly contribute to staying safe online.

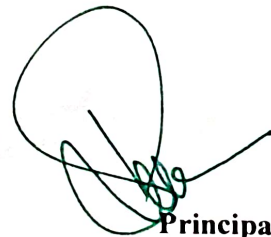

The event successfully encouraged students to creatively reflect on their understanding of cyber safety. Their posters and slogans will contribute to an ongoing campaign within the college to enhance awareness about online safety, which aligns with the club's mission to foster a safer digital environment for all students.

**Seminar on Cyber Crime**

**Date: October 9, 2024**

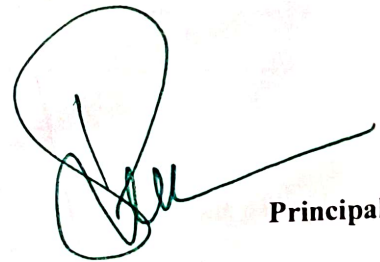

On September 9, 2024, Government Degree College Jawali held a seminar on cybercrime organized by the Cyber Jagrookta Club, with Dr. Madhu Bala, Assistant Professor of Commerce, as the convener. The seminar aimed to address the pressing issue of cybercrime, focusing on educating students about the types of cyber threats they may encounter and practical steps to safeguard themselves. Topics covered included different forms of cybercrime, such as phishing, identity theft, and hacking, as well as safety practices for protecting personal information and maintaining privacy online. Dr. Madhu Bala also discussed legal aspects related to cybercrime, outlining students' rights and responsibilities and emphasizing the importance of reporting mechanisms. An interactive session allowed students to share experiences and ask questions, deepening their understanding of safe online practices. By the end of the seminar, students gained essential insights into identifying cyber threats and adopting measures to protect their digital identities. This seminar successfully promoted cyber awareness and responsibility, aligning with the Cyber Jagrookta Club's mission to foster a safer online environment within the college community.

## **CYBER JAGROOKTA CLUB**

**Govt. Degree College Jawali-Kangra (HP)**

**Date:** November 6, 2024

**Topic:** Cyber Awareness Pledge Campaign

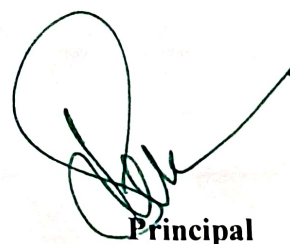

In line with the mission to promote cybersecurity awareness and ensure a secure digital environment, the Cyber Jagrookta Club of Government Degree College Jawali initiated the Cyber Awareness Pledge campaign. This campaign encouraged all students, faculty, and staff of the college to participate in the Cyber Security Awareness Pledge available on the MyGov platform. The primary objective of this initiative was to raise awareness about cyber threats and the necessary precautions everyone should take while interacting in the digital world. The pledge serves as a commitment to practicing safe online behavior, protecting personal information, and staying vigilant against cybercrime. A notice was circulated on November 6, 2024, inviting all students, faculty, and non-teaching staff to participate in the Cyber Awareness Pledge. Participants were instructed to visit the link provided in the notice to take the pledge and submit a screenshot or certificate of completion to the college email (gdcjawali@gmail.com) for record-keeping purposes. The notice received a positive response from the college community, with a significant number of participants actively engaging in the pledge. The Cyber Jagrookta Club successfully facilitated this awareness initiative, encouraging students and staff to reflect on their online habits and take responsible actions for a safer digital experience.

**Cyber Awareness Campaign Organized by the Cyber Jagrookta Club**

**Event Title:** Cyber Awareness Campaign

**Organizer:** Cyber Jagrookta Club, Government Degree College Jawali

**Duration:** December 23, 2024, to December 30, 2024

The Cyber Awareness Campaign aimed to raise awareness about the importance of cybersecurity and responsible internet usage among students and the public. By focusing on the theme "Stay Safe Online: Protect Your Digital Identity," the campaign encouraged proactive measures to safeguard digital identities in an increasingly interconnected world.

During the week-long initiative, students were invited to actively participate by creating and sharing 1-minute awareness videos. These videos aimed to educate the public on essential cybersecurity practices and how to maintain safety online. Students were encouraged to produce a 1-minute video highlighting one or more aspects of the theme "Stay Safe Online: Protect Your Digital Identity." The videos were required to be concise, informative, and within the time limit of 1 minute. Participants were instructed to submit their videos to the Cyber Jagrookta Club coordinator by the deadline of December 30, 2024.

**Outcomes:**

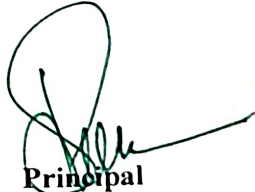

- The campaign received an enthusiastic response, with students showcasing creativity and technical skills in their video submissions.
- Through their videos, participants effectively communicated critical cybersecurity practices such as recognizing phishing attempts, creating strong passwords, and understanding privacy settings.
- The campaign successfully fostered a sense of responsibility among students regarding their online presence and digital safety.

The Cyber Awareness Campaign organized by the Cyber Jagrookta Club was a resounding success, promoting the importance of cybersecurity and responsible internet usage. The initiative not only enhanced students' knowledge but also extended its impact to the wider community through the creative efforts of the participants. The Cyber Jagrookta Club extends its gratitude to all participating students for their enthusiasm and effort, as well as the faculty members who supported the campaign. Together, we can continue to build a more secure digital environment.

**Event Title** : Class-to-Class Campaign : Think Smart, Stay Safe Online

**Organizer** : Cyber Jagrookta Club - G.D.C. Jawali

**Date** : 05/02/2025

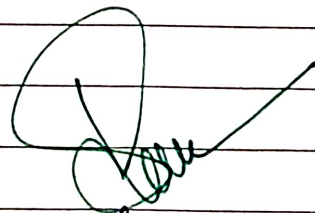

The Cyber Jagrookta Club of Government Degree College Jawali, conducted a class to class awareness Campaign titled, "Think Smart; Stay Safe Online" to educate students about safe digital practices and cybercrime prevention. As a part of initiative, Club members visited various classrooms and conducted interactive session on topic such as cyberbullying, online scams, password security, social media privacy. Students actively participated in discussion, quizzes and demonstrations that highlighted real world cyber threats and safety measures. The campaign successfully raised awareness and encouraged students to adopt responsible behavior in the digital world, contributing to a safer and more informed college environment.
